2008

ALA Winter League - 300 Rd.

Starts in Jan.

(In the past, this has been a 10 week league and you can shoot your score on Tues. or Fri. evening. For any week that you can't be there, you can shoot makeup scores in advance. You must shoot 3 scores prior to Jan. for an average so that you can be placed on a team. Team members shoot against opposing team members and earn points for winning and for total points earned by all members of your team. The fee has been \$30 plus \$3.00 for your three scores for average. Awards for the top three teams are presented at the Annual ALA Awards Banquet in April.) Contact Dale Dobbins for actual dates and fees.
